

Supplementary Figure 1. Agarose gel electrophoresis of RNA isolated from different groups. Lane a: C-CS group; lane b: C-CSL group; lane c: 100R+CSL group; lane d: 200R+CSL group; lane e: 1 kb ladder. Abbreviations of experimental groups (C-CS, C-CSL, 100R+CSL, and 200R+CSL) are defined in Table 1.
